VVS HOSPITAL · HOSPITAL ERP · GUIDE

Clinical screens

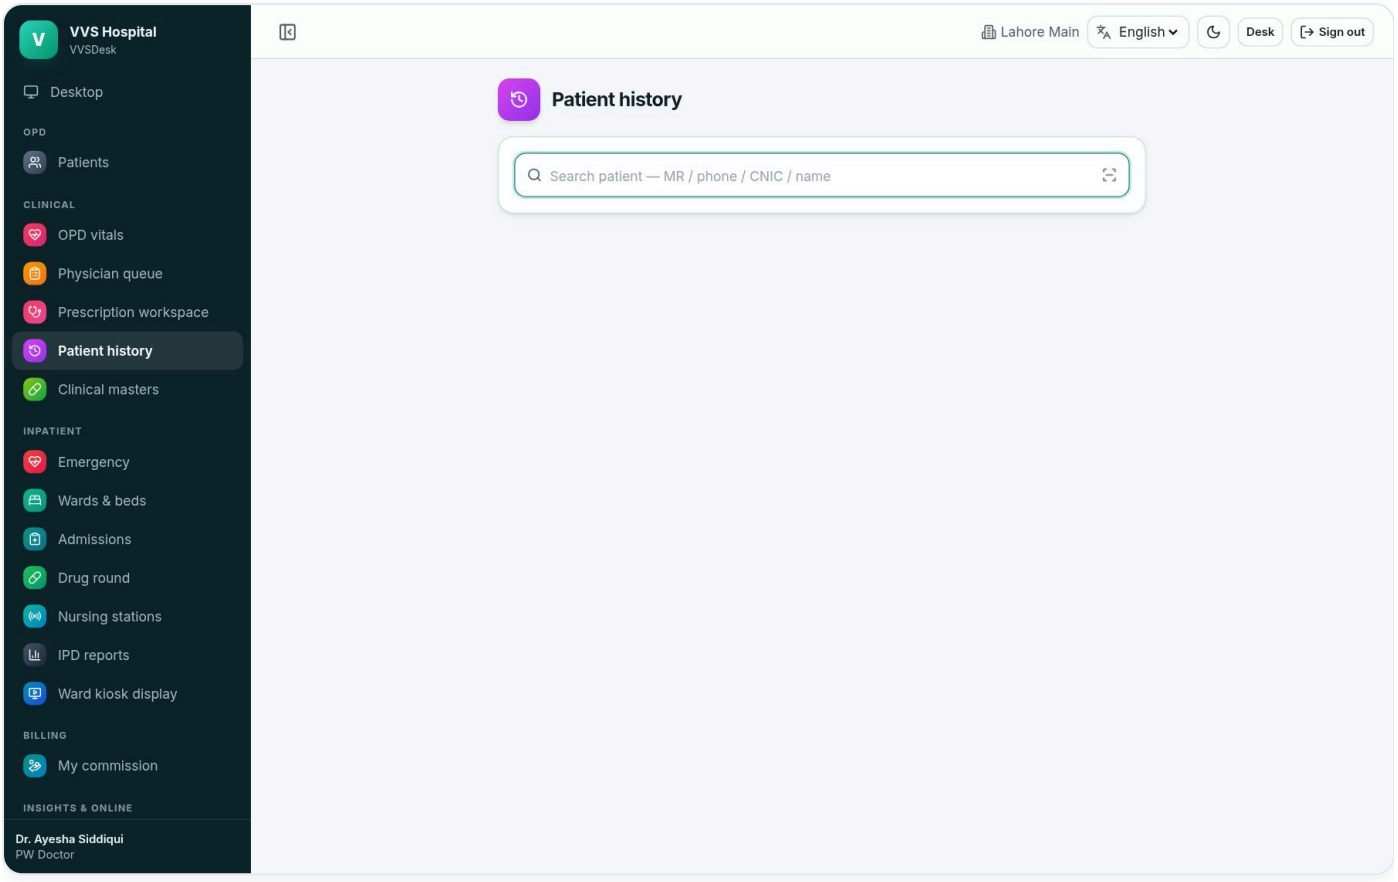

The doctor's and nurse's screens: vitals, queue, prescriptions, history, masters and commission.

1. Vitals | 2. Queue | 3. Prescription | 4. History | 5. Masters

For: Doctors and nurses · 12 November 2026 · Open the app at /hms and follow along; each screen shown here is the live app.

1 Patient history

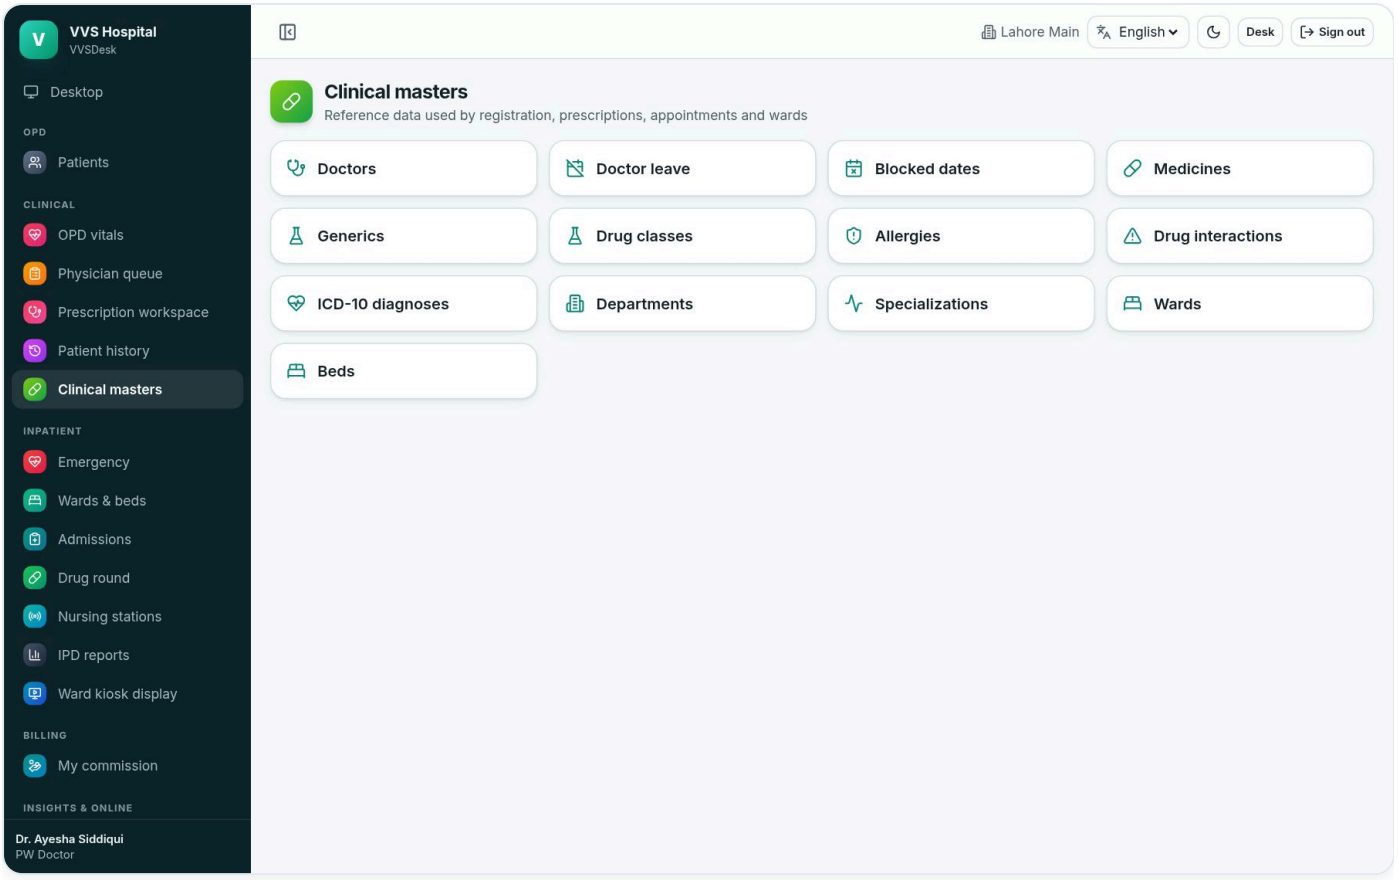

Every visit, vitals trend, prescriptions, lab results and admissions on one screen.

Patient history

2 Clinical masters

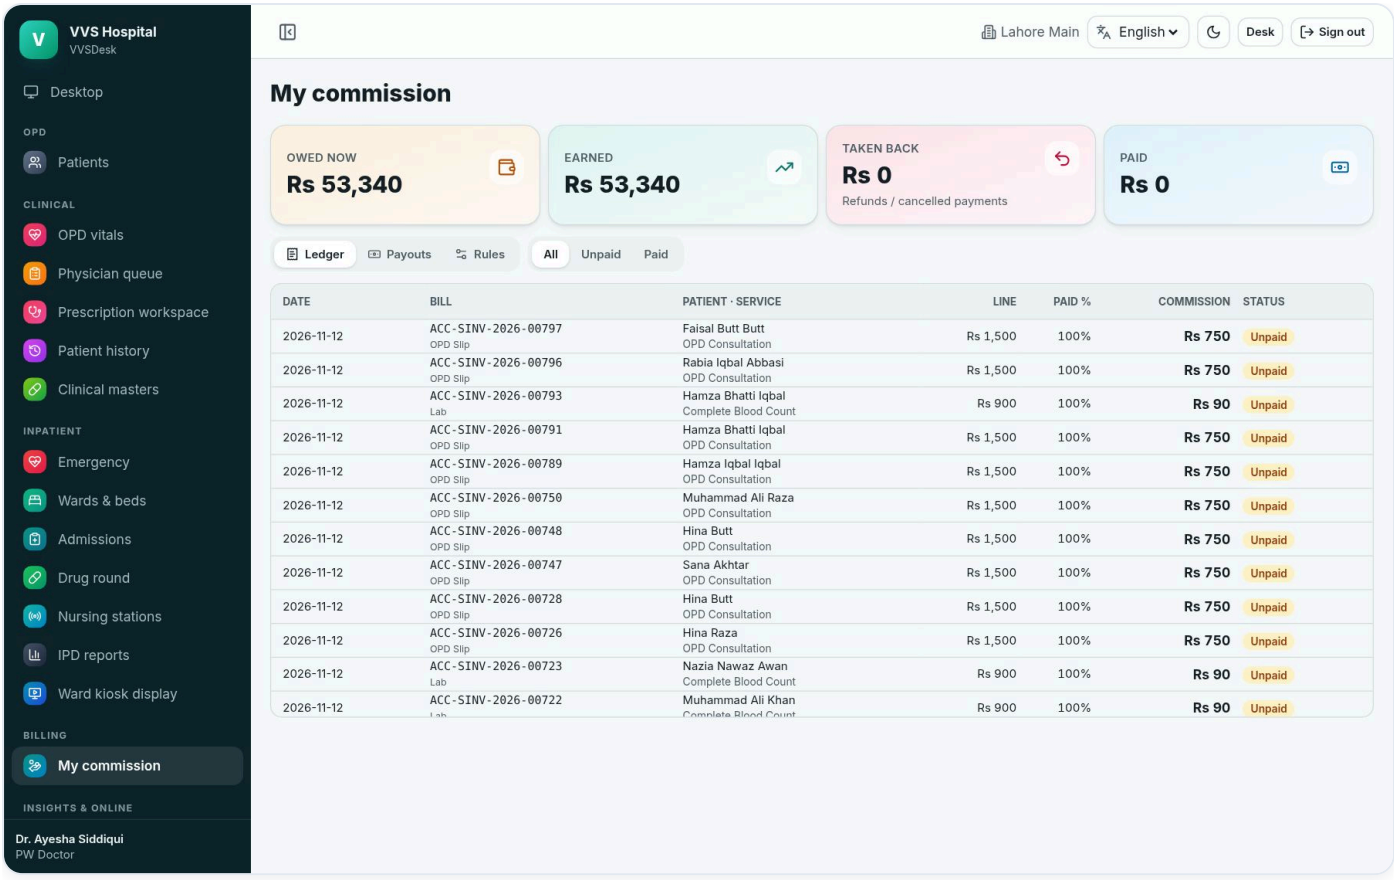

Medicines, allergies, ICD-10 and interaction rules used by the safety alerts.

Clinical masters

3 My commission

The doctor's share of fees and procedures, earned when the patient pays.

My commission
