VVS HOSPITAL · HOSPITAL ERP · GUIDE

Signing in and finding your way

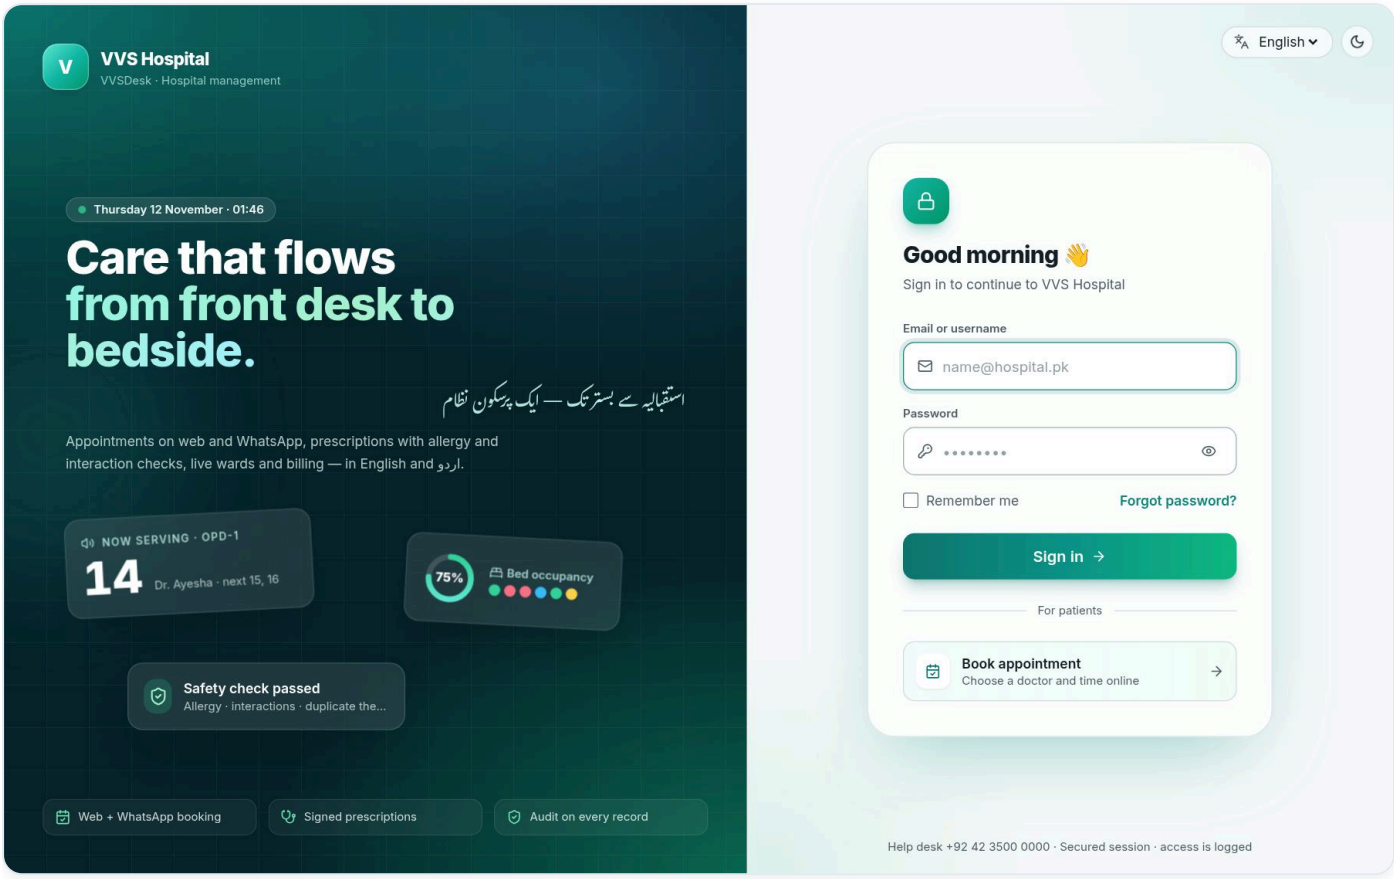

Sign in, the Desktop of screens for your role, the top bar, finding patients and the help centre.

1. Sign in | 2. Desktop | 3. Top bar | 4. Patient search | 5. Help

For: Everyone · 12 November 2026 · Open the app at /hms and follow along; each screen shown here is the live app.

1 Sign in

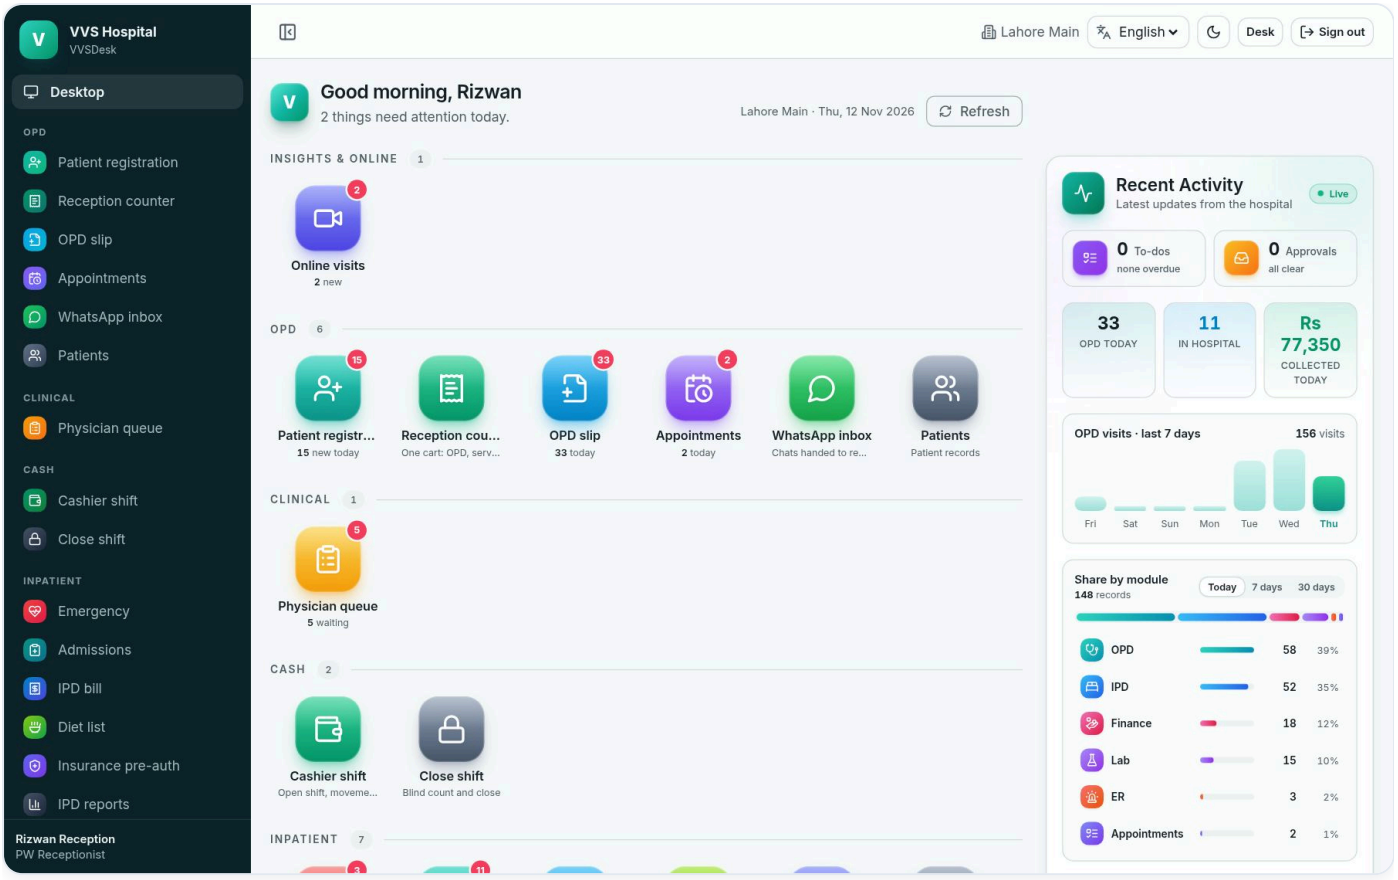

1. Open the hospital address /hms on a counter PC, ward tablet or phone.
2. Sign in with your work email and password. Each user can be signed in on up to 5 devices.

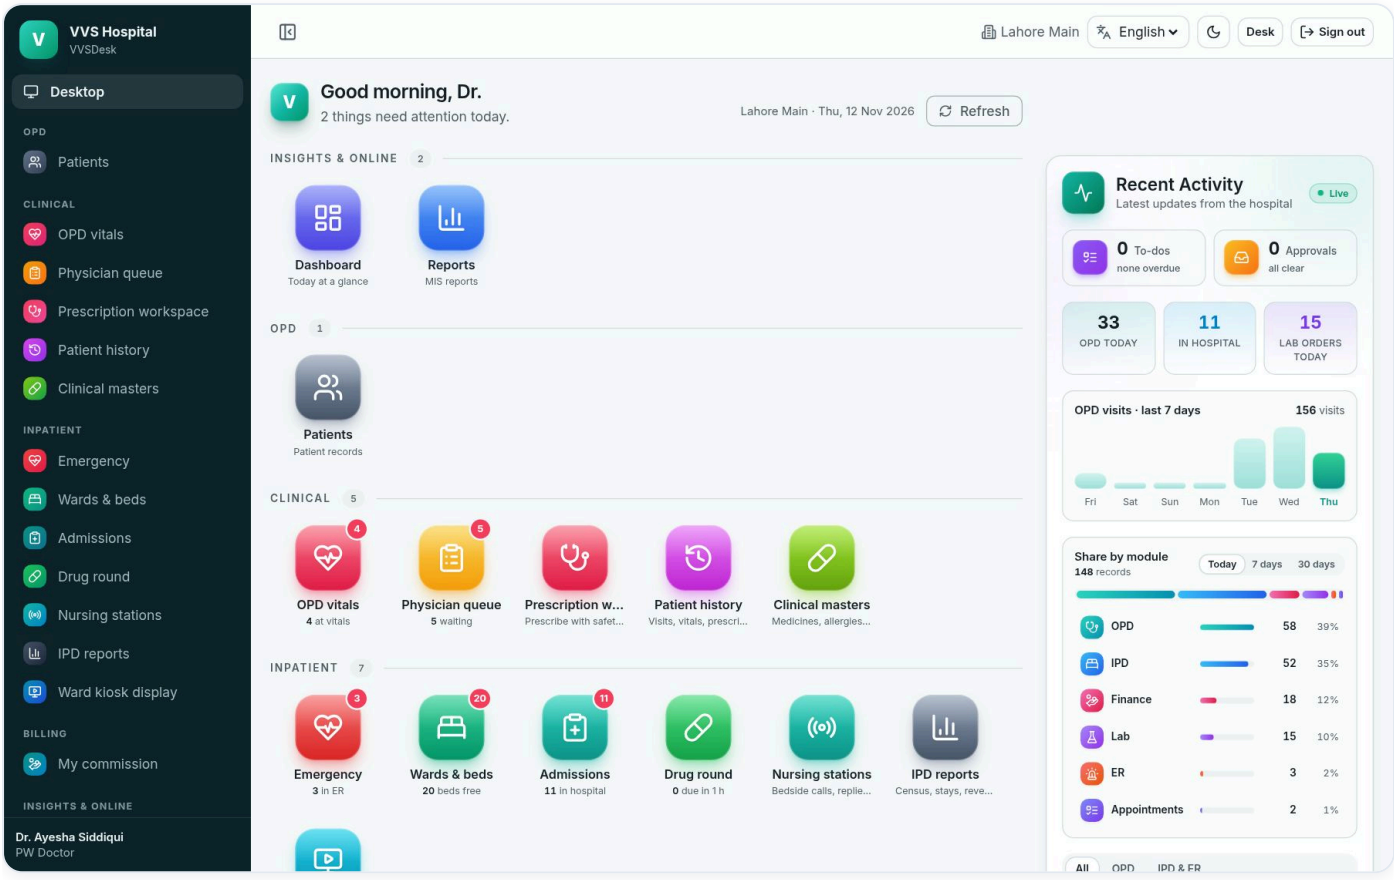

Sign-in page

2 The Desktop

One tile for every screen your role may open, grouped like the menu on the left; numbers show what needs attention.

Reception Desktop

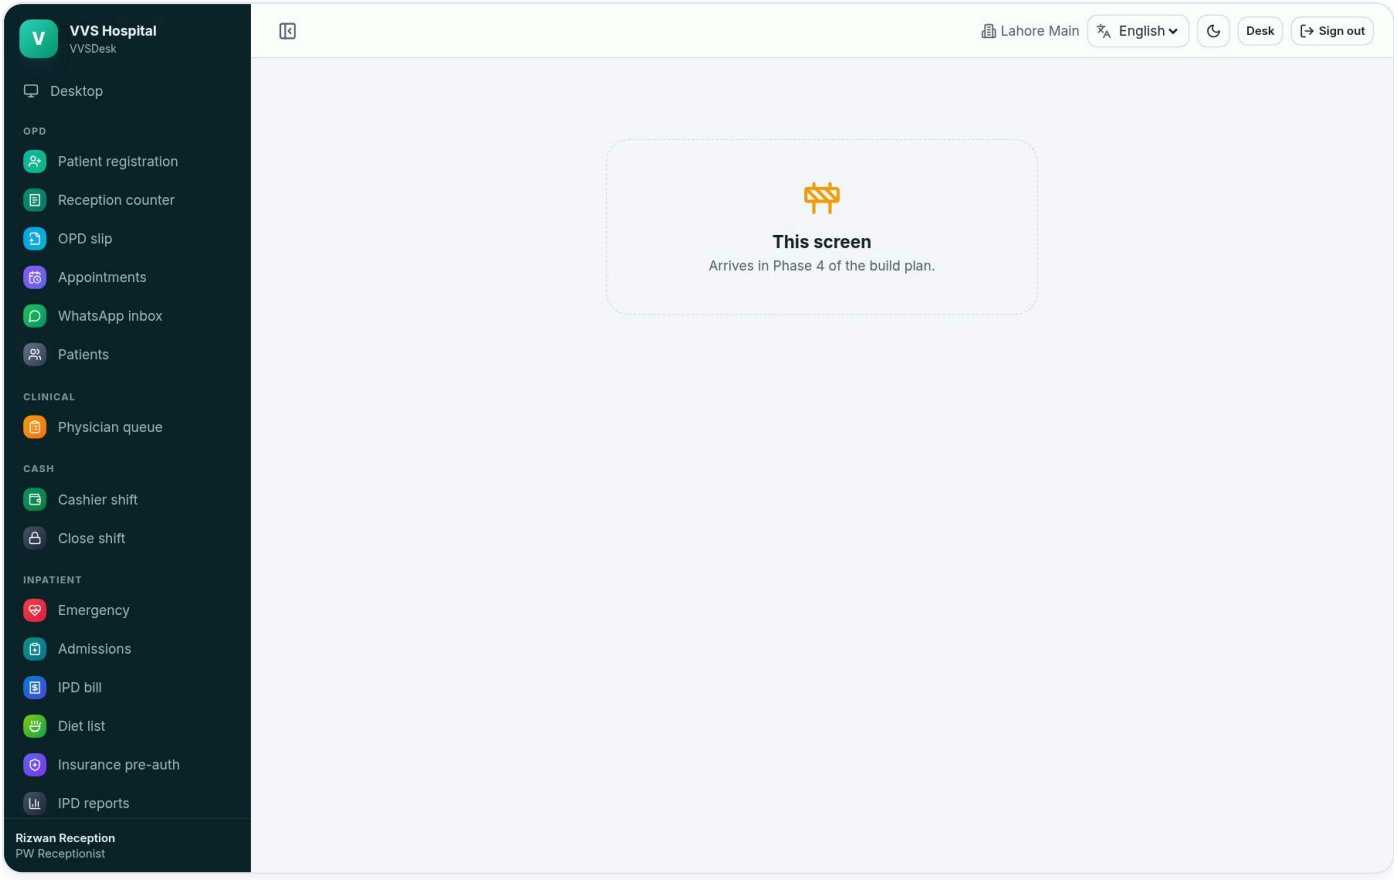

Doctor Desktop

3 Top bar

1. **Branch** — where you work.
2. **English / اردو** — the whole screen and patient prints in Urdu.
3. Moon / sun — dark mode.
4. **Desk** — ERPNext, for accounts and stock reports only.

4 Help

Help & guides: the manual for your role, PDF guides like this one, and a video of every process and page.
